

## SECTION 6

# List of Preparers

---

This EIS was prepared by CH2M HILL, under the direction of the Illinois Department of Transportation. The following individuals were directly involved in the preparation of the EIS. Their responsibilities included collecting and analyzing data, evaluating impacts, identifying mitigation, consulting with agencies, and writing or reviewing sections of the EIS.

Name	Responsibility	Qualifications
<b>CH2M HILL (EIS Contractor)</b>		
James Saag, P.E.	Project Manager, supervision, EIS support, and engineering studies	M.S. in Civil (Transportation) Engineering. More than 40 years' experience in transportation engineering.
Larry Martin	Environmental Lead, supervision, EIS preparation, agency coordination, and public involvement	B.A. in Urban Planning. 27 years' experience in conducting and directing environmental studies.
Christine Norrick, AICP	EIS preparation, agency coordination, and public involvement	MUP in Urban Planning. 14 years' experience in environmental planning and public involvement
Winthrop Allen	EIS preparation	M.S. in Land Reclamation. More than 3 years' experience in biological and ecological evaluation.
Jeff Olson	Wetland and other ecological studies, EIS preparation	M.S. in Natural Resource Ecology. More than 11 years' experience in wetland and ecological studies and documentation.
Marie Pullins, P.E.	Highway Design Engineer	B.S. in Civil Engineering. More than 5 years' experience in highway planning and design.
Nick Antonucci, P.E.	Highway/Traffic Engineer	B.S. in Civil Engineering. 6 years' experience in transportation planning and design.
Cheng Soong, P.E.	Lead Design Engineer	M.S. in Civil Engineering. 25 years' experience in preliminary and final design of major highway projects.
James Miller, P.E.	Highway Design Engineer	M.S. in Civil Engineering. 5 years' experience in highway design and planning.
Farshad Farhang	Noise analysis	B.S. in Electrical Engineering and M.B.A. 10 years' experience in analysis of noise from transportation sources.

<b>Name</b>	<b>Responsibility</b>	<b>Qualifications</b>
Garry Spivey	Impact quantification, CAD exhibits	B.S. in Industrial Education and Technology. 12 years' experience in development of CAD drawings.
Jeff Barnett	Impact quantification and general EIS support	M.S. in Civil Engineering. 2 years' experience in development and application of GIS.
<b>Deborah Spranger</b>	<b>EIS preparation</b>	<b>B.A. in English. 1 year experience.</b>
Lara Gamburg	Report graphics preparation	Technical College; more than 18 years' experience as an engineering technician and graphic designer.
<b>CMT (EIS subcontractor)</b>		
Warren Knoles, P.E.	Project Principal and Coordinator	B.S. in Civil Engineering. 30 years' experience in transportation planning, design, and construction.
Laura Kramer, P.E., A.I.C.P.	EIS preparation. Affected Environment	B.S. in Civil Engineering. 12 years' experience in environmental planning.
Lou Dixon, P.E.	Highway Design Engineer, supervision, geometric studies, and maintenance of traffic	B.S. in Civil Engineering. 23 years' experience in highway planning, design, and construction.
Stan Hansen, P.E., P.L.S.	Highway Design Engineer, geometric studies, and drainage studies	M.S. in Civil Engineering. 13 years' experience in highway planning, design, and construction.
Rich Kerhlikar, P.E., S.E.	Structural Engineer	M.S. in Civil Engineering. 24 years' experience in planning, design, and construction of highway bridges and structures.
Lindell Loy, P.E.	Structural Engineer	B.S. in Civil Engineering. 11 years' experience in highways and structures planning and design.
Jim Michael, P.E.	Drainage Studies	B.S. in Civil Engineering. 6 years' experience in transportation planning and design.
<b>LIN (EIS subcontractor)</b>		
Paul Lin, P.E., S.E.	Project Engineer, Supervision, Drainage Studies, Structures	M.S. in Civil Engineering. 25 years' experience in transportation engineering.
Mike Haley	Structural Engineer	M.S. in Civil Engineering. 3 years' experience in bridge planning and design.
Matt Barnett	Structural Engineer	M.S. in Civil Engineering. 1 year experience in bridge planning and design.
Fred Lin	Drainage Engineer	B.S. in Civil Engineering. more than 2 years' experience in highway planning and design.

<b>Name</b>	<b>Responsibility</b>	<b>Qualifications</b>
Jeff Day	Survey, Corridor protection map	S.I.T. Associates Degree, Civil Engineering Technology. 6 years' experience.
<b>CHH (EIS subcontractor)</b>		
Gary Hutchison, P.E., P.L.S.	Supervision of surveys, cost estimates, tax impact analysis, and property ownership analysis	B.S. in Civil Engineering. 25 years' experience in transportation planning and design.
Michael Meier, P.E.	Cost estimates, tax analysis, and property ownership analysis	M.S. in Civil Engineering. 23 years' experience in transportation planning and design.
Timothy Quigg, P.L.S.	Property ownership analysis	B.S. in Civil Engineering Technology. 15 years' experience in transportation design.
Jennifer Bender	Tax impact analysis and cost estimates	B.S. in Civil Engineering. 2 years' experience.
Louis Meyer	Tax impact analysis	Associates degree, Civil Engineering Technology. 10 years' experience.
<b>Illinois Department of Transportation (District 6)</b>		
John Negangard	Project engineer; supervisor, and direction of engineering and environmental studies	B.S. in Civil Engineering. P.E. IDOT 1987 to present.
Greg Larson	Management and coordination of environmental studies	B.A. in Biology. B.A. in Environmental Studies. IDOT 1998 to present.
Laura Rakers	Project coordination and management	B.S. in Civil Engineering. P.E.; IDOT 1998 to present; 8 years' experience.
Lori Kanturek	IDS reviews	B.S. in Civil Engineering. P.E. IDOT 1992 to present.
Vince Madonia	Project coordination and management	B.S. in Civil Engineering. P.E. IDOT 1999 to present.
<b>Dennis O'Connell</b>	<b>Management and coordination of environmental studies</b>	<b>A.A. in Biology. B.A. in Environmental Health. IDOT 2001 to present.</b>
<b>Illinois Department of Transportation (Central Office)</b>		
Kathleen S. Ames	General content and impact review	M.S. in Environmental Engineering. IDOT 1973 to present.
Tom Brooks	Wetland resource coordination, analysis, and review	M.S. in Landscape Architecture. IDOT 1994 to present, 12 years' prior experience.
Michael Bruns	Noise analysis review	B.S. in Thermal and Environmental Engineering. IDOT 1972 to present.
Susan Dees	Natural resources coordination, analysis, and review	B.S. in Zoology. IDOT 1994 to present, 5 years' prior biological/environmental experience.
Jerome Jacobson	Historic preservation coordination, analysis, and review	Ph.D. in Archaeology. IDOT 1984 to present; 25 years' of prior archaeological experience.

Name	Responsibility	Qualifications
Richard Nowack	Natural resources coordination and analysis	B.S. in Biology. Registered Professional Landscape Architect; IDOT 1975 to present.
Charles Perino	Water quality and wetland resource coordination, analysis, and review; natural resources analysis and review	Ph.D. Plant Taxonomy. IDOT 1982 to present; 10 years' prior biological/environmental experience.
John Rowley	Agriculture analysis, review, and coordination	B.S. in Agriculture Education. IDOT 1983 to present, 25 years' prior agricultural experience.
Barbara H. Stevens	Socioeconomic impact analysis and review; project coordination; and general content review	M.S. in Economics. IDOT 1979 to present.
John Walthall	Archaeological coordination, analysis, and review	Ph.D. in Archaeology. IDOT 1978 to present; 12 years' prior archaeological experience
John Washburn	Hazardous waste, geology, and hydrogeology analysis and review	M.A. in Environmental Studies. Registered Professional Geologist. IDOT 1968 to present.
Walt Zyznieuski	Air quality impact analysis and review	M.A. in Environmental Studies. IDOT 1994 to present. 14 years' prior environmental experience.
<b>Federal Highway Administration</b>		
Peter Hartman	FHWA Review	Engineering Team Leader; FHWA Illinois Division Office.
Don Keith	FHWA Review	Right-Of-Way Officer; FHWA Illinois Division Office.
Jon-Paul Kohler	FHWA Review	<b>Planning and Program Development Manager</b> ; FHWA Illinois Division Office.
Janice Piland	FHWA Review	Statewide Planning and Programming Engineer; FHWA Illinois Division Office.
Gerald Varney	FHWA Review	Transportation Engineer; FHWA Illinois Division Office.
Traci Baker	FHWA Review	Civil Rights Specialist; FHWA Illinois Division Office.
Robin Helmerichs	FHWA Review	<b>Transportation</b> Engineer; FHWA Illinois Division Office.
J.D. Stephenson	FHWA Review	<b>Environmental Programs Engineer</b> ; FHWA Division Office.
Melinda Bowen	FHWA Review	<b>Transportation Engineer Trainee</b> ; FHWA Illinois Division Office.
